aided by eighteen Professors and Instructors in the various descriptions? The Schools of Law, of Engineering, of Agriculture and the Mechanic Arts, the regular University Courses, a Course at Instruction in Commercial Science and the Course of Preparatory Study, will all be in full operation. In all the schools except the Law school, tuition is free for all Mississopplans. University dues from all stadents vary from \$2 to \$2, in advance. Board, including all charges, varies from \$16 to \$25 per mouth. In the Law School a fee of \$60 per nine mouths is charged for tuition. The Diploma of the law School is made by law equivalent to a license to practice law in any court in this State; and by recent act of the trustees a two years course of study in the Law School is not required absolutely, but a student may complete his course and get his
